

# CHECK LIST OF THINGS TO TAKE

**Money/credit cards.** YOUR PERSONAL BELONGINGS (INCLUDING MONEY PASSPORT CAMERA & MOBILE PHONE) ARE ENTIRELY YOUR RESPONSIBILITY. You will need enough cash to buy lunch on four days plus other snacks and drinks. The cost of the entrance to Mont Orgueil castle is included in the tour price but you will have to pay part of the entry cost to the zoo - probably about £5.

**Instruments, music & folder, 1 music stand per desk (clearly named), spare strings/reeds etc.** Cellists need floor protectors. **Clothes pegs** for outside concert (6 per stand is about right)

## **Concert dress:**

**Girls: all black:** long black dress or skirt or trousers and black tops- strappy tops are OK as long as they look formal. However, the church we are playing in may insist on shoulders being covered, so come prepared with a black scarf or suitable top. **Absolutely no cropped tops or split skirts.** Please make sure that skirts are long or at least mid-calf length. For our outdoor concert, dress can be more informal if you wish e.g. black trousers/plain black shirt

**Boys:** black trousers, black shoes and **black** socks  
2 black **long sleeved** shirts

**Washing things** -toiletries & personal medication. Towels for every-day use are provided but you must bring your own towel for the beach (and a plastic bag to carry it home in!).

**Sun glasses, sun hat, and sun cream** with factor at least 20. Please do not go outside if it is hot without using some protection. **Swimming gear** including a towel.

**Comfortable shoes** to wear while sight-seeing plus **something to wear if it rains**

**A sensible bag** to carry around with you - one which is as "thief-proof" as possible.

**Drinks and snacks** for the coach journey.

**Plastic bottles** to use for carrying cold drinks when we are out and about.

**Other items:** Camera, MP3 player, alarm clock, DVDs (the hostel has a DVD player), spare batteries, **mobile phone charger**, hair drier, roll-on or spray-on insect repellent if you tend to attract mosquitoes. You should also bring a warm sweatshirt/fleece for the late-night journey home on the ferry/coach, when it may get quite chilly. A small packet of tissues and pocket-sized anti-bacterial handwash to carry with you on the coach and when sight-seeing.

**Student Card, passport** or other age ID card (if you have one) in case you need discount entry fees to museums etc

## **LUGGAGE**

Please limit your luggage to:

- One suitcase (pack your music and stand in this); you are responsible for taking your suitcase on and off the ferry
- Your instrument (write your name and address on a card inside)
- One small bag with things for the journey
