

NYO Tour to Vienna 24 July – 31 July 2013

During our week in Vienna, we will give three concerts, of which two will be at Schonbrunn Palace (pictured above) — one in the stunning Orangery and one outside in the gardens. The third venue is the Gustav Adolf Church in the Lutherplatz, not far from the centre of the city. There is much to see in Vienna itself, including a wealth of art, museums and historical buildings. The orchestra will be based in the Hotel Academia which is in the university part of Vienna and just 10-15 minutes walk from the main historical sights of the city. Accommodation will be three or four to a room, each with private bathroom.

The programme will be mainly Viennese music with pieces by Strauss, von Suppe, Mozart and Mahler.

We will leave Nottingham in the afternoon of Wednesday 24th July 2013, returning at around lunchtime on Wednesday 31st July. This includes 5 nights half-board at the hotel, insurance; all coach travel to and from Vienna.

A booking form for the tour is attached. Could you please return this, along with copies of your **European health insurance card and the photograph page of your passport**, to Paula Watt, Northfield House, 21 Station Road, Southwell, Notts NG25 0ET.

With best wishes,
Margaret Chadwick
