## POLICIES B & C - TRAVEL INSURANCE POLICIES

### How your travel policies work

This insurance document shows the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim and how to contact the **24**-hour emergency assistance service. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy, that happens during the period of cover for which **you** have paid the appropriate premium.

**Your** travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for **365** days of the year. There is a maximum amount **you** can claim for each individual item and a maximum amount in total for **valuables**, and these are shown under the **personal possessions** section. The **personal possessions** section is not 'new for old' as an amount for age, wear and tear will be deducted.

**Your** policy covers treatment of medical conditions in an emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long-term treatment and in these circumstances, bearing in mind the advice given by **our** Chief Medical Officer, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or to repatriate **you** to **your home country**.

All numbers and letters shown under 'For each **insured-person** this insurance will not cover.' refer to the same numbers and letters under 'For each **insured-person** this insurance will pay.' Where no letters or numbers are shown it applies to the whole section.

## When your travel policies start and end

The cover under all sections starts at the beginning of **your trip** as shown on **your** premium receipt and ends on **your** return **home** or expiry of the policy, whichever is the first. No further **trips** are covered by either policy.

## Extension of period

In the event of **your** death, injury or illness or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

## Change in medical condition or ongoing medication

If **your** health or **your** ongoing medication changes between the date the policy was bought and the date of travel **you** must advise Travellers HealthCheck on **08451 300 340** as soon as possible.

**We** will advise **you** what cover **we** are able to provide after the date of diagnosis.

**We** reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

## Use a EHIC - nil excess if medical costs are reduced

In order to save costs, travellers to European Union countries should obtain a European Health Insurance Card (EHIC). These are available online at:

[www.dh.gov.uk/travellers](http://www.dh.gov.uk/travellers) or by calling **08456 062 030**.

Application forms are also available from the Post Office.

This will entitle **you** to benefit from the reciprocal health arrangements which exist between European Union countries.

In other countries where reciprocal health arrangements exist all reasonable steps should be made to utilise them. Please see Section **B3**.

**What to do in the case of a medical emergency abroad**

**In case of serious emergency** – first call an ambulance using the local equivalent of a 999 call. While you wait for the ambulance contact our medical assistance service **Specialty Assistance** which is open 24 hours a day and 7 days a week to offer you advice in this emergency situation. We strongly suggest you put their telephone number +44 (0)8453 707 183 into your mobile phone before you travel so that it is to hand should you need it. Speak to the ambulance driver and get details of the hospital you are being taken to so that our medical assistance service's doctor will be able to obtain a medical report at the earliest possible opportunity.

**What the medical assistance company needs from you** – when you call our medical assistance service in an emergency you need to have some basic information for them to hand:

- your telephone number so you can be contacted in case you are cut off
- the name and age of the patient and as much information about the medical situation as you are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if you have them
- your policy reference number SJTSG 40054 - A, B & C and provide your booked travel dates
- the patient's own GP details (in their home country) name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

**Minor illness or injury** – if you need to see a doctor in Europe or Scandinavia then ask your hotel reception or tour operator's representative for the address of the nearest public medical facility. In Europe you should show them your EHC card, medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the policy excess will be reduced to NIL. You will only be covered for the cost of private medical treatment in these countries if this is approved in advance by our medical assistance service on +44 (0)8453 707 183. Elsewhere it is advisable to seek advice on where to go for treatment from our medical assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin your trip by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for our medical assistance service to move you to a more suitable facility.

In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf.

To take advantage of this service please show the treating doctor or clinic the logo printed here as this will enable them to identify our membership and avoid language difficulties. If the hospital you are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to Charge Care for payment. The countries where this service is available are: Spain and all the Spanish islands, Greece and the Greek islands, Cyprus, Bulgaria and Turkey [www.chargecareinternational.co.uk](http://www.chargecareinternational.co.uk)

**How to pay for your treatment** – outpatient bills for less than £500 should be paid at the time and claimed on your return. It is very important to obtain an itemised receipt for any monies paid for medical treatment.

If you are admitted to a medical facility then you may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to:

Fogg Travel Insurance Services

The Hurst, Crow Hill Drive, Mansfield, Notts. NG19 7AE

Our medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of your claim has been established.

**What happens if I miss my booked flight due to illness?** – don't worry, provided you have contacted our medical assistance service your policy will be automatically extended to cover you until it is agreed that you are fit to travel home. Our medical assistance service will liaise with your treating doctor and you and once you are fit to travel, they will make appropriate alternative arrangements.

**What if you want to come home early?** – this policy covers **you** to come **home** early because **you** are ill only if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **our** medical assistance service on **+44 (0)8453 707 183** for advice first. If **you** need to come **home** for any other reason, such as the illness of a **close relative** in **your home country** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** particular circumstances are included in the cover then call Fogg Travel Insurance Services on **+44 8452 307 135** between 9.00 am and 5.00 pm UK time for advice.
